USER MANUAL

PRECAUTIONS

Please read this manual carefully before use.

1. This product is intended for indoor use only. Do not use it outdoors.
2. This product is not a toy and is not intended for children.
3. Install the device on a wall. Place the product in a safe location that is not exposed to mechanical damage.
4. Plug the USB cable into a USB port or adapter. Note that the power adapter is not included. Ensure that the USB port or adapter outputs 5V/2A. Avoid devices with voltages higher than 5V to prevent overheating, damage to the light strip, and safety hazards.
5. If you choose to use adhesive hooks on a smooth wall, make sure the hooks have been fixed for at least two hours before hanging the LED neon mirror.
